An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. Liane Churney on September 29, 2005.

The application has been amended as follows:

Claims 1 and 2, lines 5 and 13, respectively, and claims 3 and 4, line 2, "the outer" has been changed to --an outer--.

Claims 1 and 2, line 8, "body" has been changed to --body part--.

Claim 2, line 14, "strip." has been changed to --strip;--

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of claims 1 and 2 is the inclusion of a molding part of the weather strip having an insertion hole and bag-shaped fitting grooves, the grooves having an opening at a lower end, and an insert clip having a plate-shaped body part, a clip part and pawl parts, wherein the clip part is inserted into the insertion hole and the pawl parts each stand upright from an outer end of the body part and are received within the corresponding fitting groove lower end to secure the
